Re: Certification of Compliance with E911 Location Accuracy Two-Year Benchmark,  
PS Docket No. 17-78

To Whom it May Concern:

Pursuant to 47 C.F.R. § 20.18(i)(2)(iii),<sup>1</sup> PRWireless, Inc. d/b/a Open Mobile (“Open Mobile”) certifies that as of April 3, 2017, (1) it does not provide service or report live call data in one or more of the Test Cities, (2) it is providing dispatchable location or x/y location information within 50 meters for 40 percent of all wireless 911 calls, (3) it has deployed the indoor location technology or technologies used in its networks consistently with the manner in which such technologies have been tested in the test bed, and (4) it has verified based on its own live call data that it is in compliance with the two-year benchmark set forth at 47 CFR § 20.18(i)(2)(i)(B)(1).

This Certification is executed by an officer or director of Open Mobile who is familiar with and has responsibility for Open Mobile’s indoor location accuracy compliance.

Please direct any questions to the undersigned.
